

**AWARDEES FOR ARRA STATE ENERGY PROGRAM - ROUND 1 AWARDS – OCTOBER 2009**

Region and Sector	Proposer	Funds Allocated	Estimated Savings/Year	Description
<b>NEW YORK CITY</b>				
Hospitals & Not-for-Profits	Center for Automotive Education & Training	\$ 253,215	\$ 11,714	To install a solar thermal heating system.
Hospitals & Not-for-Profits	Memorial Sloan Kettering Cancer Center	\$ 889,350	\$445,550	To add a control system to four 1,500 ton steam chillers.
Hospitals & Not-for-Profits	Montefiore Medical Center	\$ 207,230	\$63,885	To complete a lighting retrofit project in two facilities.
Hospitals & Not-for-Profits	Pratt Institute	\$ 109,475	\$11,732	To complete a lighting retrofit project.
Hospitals & Not-for-Profits	New York College of Podiatric Medicine	\$ 17,714	\$9,150	To complete a lighting retrofit project.
Hospitals & Not-for-Profits	Yeshiva University	\$ 539,847	\$42,425	To complete a lighting retrofit project.
Hospitals & Not-for-Profits	Montefiore Medical Center	\$ 950,000	\$561,628	To complete a lighting retrofit project.
Hospitals & Not-for-Profits	Terence Cardinal Cooke Health Care Center	\$ 1,000,000	\$474,696	To complete a boiler replacement project.
Hospitals & Not-for-Profits	New York Methodist Hospital	\$ 979,000	\$310,000	To install improved controls on chillers and to upgrade combined heat and power plant efficiency.
Hospitals & Not-for-Profits	Fordham University	\$ 500,000	\$117,082	To complete a lighting and chiller controls system upgrade.
Hospitals & Not-for-Profits	Long Island College Hospital	\$ 614,804	\$260,044	To complete a lighting retrofit project.
Hospitals & Not-for-Profits	Kingsbrook Jewish Medical Center	\$ 224,083	\$85,319	To install an energy management control system and to install new kitchen fume hoods.
K12 Schools	City of New York - Department of Education	\$ 76,400	\$1,382	To install a 7.6 kW photovoltaic system.
Municipalities	City of New York	\$ 961,122	\$95,325	To reduce diesel emissions by replacing diesel vehicles and equipment.
Municipalities	City of New York	\$ 75,773	\$4,144	To implement a solar thermal domestic hot water heating pilot program in five fire department (FDNY) facilities.
Municipalities	City of New York	\$ 1,527,039	\$327,110	To complete a lighting retrofit project in multiple city owned facilities.
Public Colleges & Universities	Hunter College	\$ 16,993	\$3,727	To complete an air compressor system efficiency upgrade.
Hospitals & Not-for-Profits	New York University	\$ 363,342	\$434,911	To complete a steam turbine performance upgrade project.
<b>LONG ISLAND</b>				
Hospitals & Not-for-Profits	John T. Mather Memorial Hospital	\$ 198,350	\$56,379	To install a free cooling heat exchanger.
Hospitals & Not-for-Profits	NSLIJHS/Southside Hospital	\$ 260,100	\$11,612	To install a 50 kW photovoltaic system.
Hospitals & Not-for-Profits	John T. Mather Memorial Hospital	\$ 363,000	\$12,570	To install a 49 kW photovoltaic system.
K12 Schools	Half Hallow Hills CSD	\$ 1,000,000	\$229,502	To complete a weatherization and exhaust fan efficiency upgrade project.
K12 Schools	Port Jefferson UFSD	\$ 337,242	\$50,236	To complete a lighting retrofit project.
Municipalities	Village of Saltaire	\$ 23,985	\$3,321	To complete a street lighting retrofit project.
<b>HUDSON VALLEY / CAPITAL</b>				
Hospitals & Not-for-Profits	Saint Vincent Catholic Medical Center Westchester	\$ 578,850	\$250,693	To complete a HVAC air distribution controls and damper system upgrade.
Hospitals & Not-for-Profits	NY Presbyterian Hospital	\$ 1,000,000	\$341,421	To complete an HVAC to geothermal replacement project.
Hospitals & Not-for-Profits	Phelps Memorial Hospital Center	\$ 40,500	\$28,521	To complete a parking garage lighting retrofit project.
Hospitals & Not-for-Profits	Bard College	\$ 101,178	\$4,831	To install domestic hot water solar water heating systems in two residence halls.

Hospitals & Not-for-Profits	Hawthorne Ridge, Inc.	\$ 75,000	\$4,587	To install a solar thermal heating system.
Hospitals & Not-for-Profits	Bard College	\$ 76,500	\$22,279	To complete HVAC energy efficiency and controls upgrades in the gym.
K12 Schools	City School District of Albany	\$ 8,000	\$3,536	To install a new cooling system for the data center room.
K12 Schools	Cohoes CSD	\$ 309,821	\$7,279	To install a 45.6 kW photovoltaic system.
K12 Schools	Mohonasen Central School District	\$ 257,850	\$9,315	To install a 50 kW photovoltaic system.
K12 Schools	North Rockland CSD	\$ 184,255	\$8,600	To install two 25 kW photovoltaic systems on two separate school buildings.
K12 Schools	WSWHE BOCES	\$ 100,000	\$53,432	To complete a lighting retrofit project.
K12 Schools	Shenendehowa Central School District	\$ 243,525	\$9,315	To install a 50 kW photovoltaic system.
K12 Schools	Arlington CSD	\$ 131,625	\$4,373	To install a 25 kW photovoltaic system.
K12 Schools	Sullivan West CSD	\$ 257,850	\$9,315	To install a 50 kW photovoltaic system.
K12 Schools	Guilderland Central School District	\$ 334,028	\$8,939	To install a 50 kW photovoltaic system.
Municipalities	Village of Mamaroneck	\$ 39,746	\$15,477	To complete a traffic signal replacement project.
Municipalities	County of Rockland	\$ 11,650	\$3,609	To complete a controls upgrade project and facility commissioning project.
Municipalities	City of Port Jervis	\$ 442,487	\$26,196	To install a 26.6 kW photovoltaic project.
Municipalities	Fire District of Averill Park #2	\$ 287,480	\$7,766	To install a 43 kW photovoltaic system.
Public Colleges & Universities	University at Albany	\$ 131,325	\$87,344	To complete an insulation project on the hot temperature distribution water system.
<b>NORTH COUNTRY</b>				
Hospitals & Not-for-Profits	North Country School	\$ 246,413	\$38,970	To install a high-efficiency biomass wood boiler.
Hospitals & Not-for-Profits	St Joseph's Addiction Treatment and Recovery Center	\$ 51,184	\$22,067	To complete a lighting retro-fit, controls, kitchen equipment, VSDs and building envelope efficiency upgrade project.
Hospitals & Not-for-Profits	United Cerebral Palsy and Handicapped Persons Association of the Utica Area	\$ 15,950	\$5,440	To complete a lighting retrofit and an air-conditioning replacement project.
Hospitals & Not-for-Profits	Baldwin Research Institute	\$ 194,757	\$5,911	To install a 37 kW photovoltaic system.
Hospitals & Not-for-Profits	United Cerebral Palsy and Handicapped Persons Association of the Utica Area	\$ 6,420	\$3,145	To complete a lighting retrofit project.
Hospitals & Not-for-Profits	Baldwin Research Institute	\$ 65,402	\$1,621	To install an 11.7 kW photovoltaic system.
Hospitals & Not-for-Profits	United Cerebral Palsy and Handicapped Persons Association of the Utica Area	\$ 9,462	\$6,762	To complete a lighting retro-fit, air conditioning replacement, and HVAC controls efficiency upgrade.
K12 Schools	Jefferson-Lewis BOCES	\$ 163,760	\$6,135	To install a 20 kW wind turbine.
K12 Schools	Saranac Lake Central School	\$ 361,513	\$40,000	To install a high-efficiency biomass wood boiler.
K12 Schools	Fonda Fultonville CSD	\$ 175,000	\$71,036	To complete a lighting retrofit and heating system upgrade at the school. Savings are in fossil fuel as the site is CHP.
Municipalities	City of Rome	\$ 292,353	\$5,404	To install a 50 kW photovoltaic system.
Municipalities	Village of Malone	\$ 3,654	\$10,000	To complete a street lighting retrofit project.
Municipalities	Town of Vienna	\$ 198,454	\$5,175	To install a 31.5 kW photovoltaic system.
<b>CENTRAL NEW YORK</b>				
Hospitals & Not-for-Profits	Cornell University	\$ 367,000	\$156,000	To complete a refrigeration controls system upgrade for the environmental sciences complex.

Hospitals & Not-for-Profits	Cornell University	\$ 395,000	\$295,000	To complete an HVAC controls upgrade project throughout the campus.
Hospitals & Not-for-Profits	Chenango Valley Home	\$ 9,212	\$3,100	To complete a lighting retrofit project.
Hospitals & Not-for-Profits	Crouse Health Hospital	\$ 321,153	\$77,378	To complete a lighting retrofit project.
K12 Schools	Marcellus Central School	\$ 98,000	\$30,600	To complete a lighting retrofit project.
K12 Schools	Trumansburg Central School District	\$ 188,190	\$3,671	To install a 24.6 kW (DC) PV system.
K12 Schools	Charlotte Valley Central School District	\$ 6,568	\$3,544	To install a propane refueling station.
K12 Schools	Horseheads Central School District	\$ 45,574	\$6,816	To complete a lighting retrofit project.
K12 Schools	Cayuga Onondaga BOCES	\$ 15,750	\$2,400	To install a CNG refueling station.
Municipalities	Town of Danby	\$ 6,014	\$2,645	To complete a lighting retrofit and thermostat upgrade project.
Municipalities	Onondaga County	\$ 288,000	\$47,853	To complete a controls system efficiency upgrade project.
Municipalities	County of Oswego	\$ 183,000	\$17,491	To complete a lighting retrofit project.
Public Colleges & Universities	SUNY Cortland, Facilities Planning, Design & Construction	\$ 80,000	\$21,705	To complete a lighting retrofit project.
<b>FINGER LAKES</b>				
Hospitals & Not-for-Profits	Highland Hospital	\$ 71,989	\$22,249	To complete a lighting retrofit project.
Hospitals & Not-for-Profits	University of Rochester	\$ 487,690	\$273,558	To convert steam to hot water and other heating system upgrades.
Hospitals & Not-for-Profits	Rochester General Hospital	\$ 307,053	\$81,225	To complete a lighting retrofit project.
Hospitals & Not-for-Profits	The Harley School	\$ 1,372	\$56,372	To complete an HVAC controls and heating system upgrade.
K12 Schools	Rush-Henrietta Central School District	\$ 216,600	\$45,300	To complete a lighting retrofit project.
K12 Schools	Livonia Central School District	\$ 13,618	\$11,036	To complete a lighting retrofit project.
K12 Schools	Canandaigua CSD	\$ 752,400	\$32,120	To install a 50 kW (DC) wind turbine.
Municipalities	County of Ontario	\$ 103,425	\$33,351	To complete a lighting retrofit project.
Municipalities	Town of East Bloomfield	\$ 126,085	\$4,284	To install a 19.7 kW photovoltaic system.
Public Colleges & Universities	Monroe Community College	\$ 216,365	\$34,830	To install 400 occupancy sensors.
<b>WESTERN NEW YORK</b>				
Hospitals & Not-for-Profits	Niagara Falls Memorial Medical Center	\$ 200,000	\$9,565	To install a boiler stack-heat recovery system and filter system upgrade to reduce air restriction and fan speed in the air distribution system.
Hospitals & Not-for-Profits	The Woman's Christian Association of Jamestown, N.Y. (WCA Hospital)	\$ 220,480	\$222,378	To replace four heat recovery wheels with newer, more efficient models.
Hospitals & Not-for-Profits	University of Buffalo	\$ 495,000	\$194,000	To install high-efficiency computer servers.
Hospitals & Not-for-Profits	Chautauqua Region Industrial Development Corporation	\$ 104,635	\$26,482	To complete a lighting retro-fit, controls, insulation of heating pipes, and VSDs project.
K12 Schools	Cleveland Hills Union Free School District	\$ 85,061	\$17,995	To complete a lighting retrofit project.
Municipalities	Town of Amherst	\$ 179,960	\$50,561	To complete a lighting retrofit project.
Public Colleges & Universities	NYS College of Ceramics	\$ 561,449	\$67,561	To replace controls and exhaust system for two glass blowing furnaces.
